From Jeff's desk....

Good morning & welcome to this morning's service.

Powerhouse begins today and we start 'Church@10' for 2009. This service will run from 10am to 11.20-30 followed by morning tea. Powerhouse will run for the school term. It will change to the provision of a suitable DVD during the holidays to allow children and the teachers to join us at 'Church@10'.

Our topic for today and next week is 'Holy Living'. As I have done the preparation for these services two very obvious things have stood out: God is holy and He asks us to be holy. What do you understand holiness to be? What does the holiness of God mean to you? Do you live a holy life?

The following Sunday, **March 1st**, is a chance to look back over the 25 years we have been here at this site and we will be looking forward to the opportunities & challenges ahead. Café will be on following the service, a good chance to reminisce and catch up at the beginning of the year.

Please continue to pray for those caught up in the devastating bush fires in Australia. We will spend some time praying for them in this morning's service. You may know that MMM lost their headquarters in Victoria and that Tim and Kelly Brown lost all their belongings as they were staying in one of the MMM houses. It is hard for us to be able to grasp the horror of being there and the incredible loss BUT we can pray and next week we will take up an offering for the Brown family.

May God's love support you, *Jeff*

Looking Back / Looking Forward

We are holding a special 'Church@10' service on March 1st to celebrate 25 years on this site. Warwick is putting a 'slide show' together to give us a visual reminder of the journey we have undertaken to this point & to allow those who have joined us more recently to see the early beginnings. If you have photos, video or any special memories we could include please let us know. (Ring the office, Warwick or Jeff) There will be café following the service.

Letter from the Elders

You should all have received a letter in the mail this week communicating progress towards our stated plans for 2009. If you didn't receive a letter we apologize for the slip-up on our part. Please ask for one at the office AND make sure we have your correct details for future communications. We will be working towards using email for the majority of our future communications but are very happy to use 'regular' mail for those without easy email access. (We will be contacting you for your preference. Please keep in mind that email is much more cost efficient in terms of time and cost of 'mailing'.)

Internship 2009

Justin Thompson is beginning an internship at TABC on Monday 16th February. He will be studying through 'Pathways College' for the year. His time is made up of 15 hours study, 15 hours ministry mainly here at TABC & the remainder of his time is available for him to look for opportunities to earn money to help fund his study. We are very happy to have Justin join us this year & look forward to working alongside him. He will be away for the first 2 weeks doing 'block courses' off site. Please pray for Justin as he sets this year aside to equip himself for the work God has for him.

Heart-felt thanks to everyone in the Chapel who had visited me, prayed for me, sent me flowers, sent numerous cards & thought of me whilst I had my holiday in hospital. And also, for the help when I got home! It means a lot to me to know many were thinking of me. I Thes 5:18 says: "Give thanks in all circumstances, for this is God's will for you in Christ!" That was my moral while in hospital! Thanks again to you all! God bless you all! Love Shirley Pursar xxx

Gina Coe & family sincerely thank the Chapel family for their sympathy, beautiful flowers and the ladies who so willingly gave of their time to serve the luncheon.

Theo & Leilani van Rooyen would like to thank the wonderful guys who helped us move. We really appreciate all your trouble & time. Thank you very much...
THANKS SO MUCH!
