From Jeff's desk....

Good morning & Welcome to Te Awamutu Bible Chapel.

Today the Missions Team has arranged our service. I want to thank them for the work they have done in planning this service and for the ongoing work they put into keeping 'missions' as a focus for Te Awamutu Bible Chapel. We have been privileged lately to have had many opportunities laid before us:

- I know Sue will challenge us today and will present the possibilities that exist in Cambodia (Graham and Sue spent time with the elders recently)
- Michael Peake is working with young people at Lakes Ranch in Rotorua
- I am still thankful for the visit from the Salisburys and praying for their work with Iranians and Bible translation
- Shane and Rene are praying and working towards returning to NZ in July and helping to transition their church in the Philippines for the change
- the Youth Group is looking to go to Fiji in July to work with MMM
- Anna and Louise have been in Ethiopia encouraging and working with the Vlaanderens
- there's the roofing project in Vladivostok with MMM
- the work in Thailand continues with Gee at Glory Church and the Hostel
- Ian Cross has recently travelled extensively through out Asia

And I'm aware that in listing the above I will have missed others!!

Add to this the opportunities locally through Alpha, Bible-in-Schools, other ongoing ministries and the interactions we have as we rub shoulders with people daily. We can be 'mission-minded' every day.

We have a special Easter Service next Sunday. The message of Easter is a message that involves God's plan for all people for all time. Love to see you here and it's a good opportunity to invite a friend.

God bless your week, *Jeff*
