From Jeff's desk....

Good morning & Welcome to Te Awamutu Bible Chapel.

A few of us spent last weekend at Totara Springs at a Brethren Church Leaders' Conference entitled 'Strength and Unity'. Keynote speakers challenged and encouraged us to live our lives and lead in our churches in a way that expects and allows God to work out His plans. The messages included teaching on the 'Great Commission' (Matthew 28:18-20), 'Tapping Into God's Resources for His Church', being 'Led By The Spirit' ( as a church and as individuals), 'Going Forward', and a final encouragement to be like Christ who humbled Himself for us. There were workshops to discuss the implications and many opportunities to talk with leaders from other churches. I was grateful for the support of those who were able to join me there and for the chance to speak with a range of people from churches throughout New Zealand. I was reminded that God has allowed us, called us, to be part of an amazing community here at Te Awamutu Bible Chapel. We are a part of His universal family with opportunities daily to serve Him, each other and our wider community.

We complete the study on Ephesians today. Thank you to all the people who were involved. As Steve wraps up the series it is a good time to reflect on the challenges God has given through His Word and ask how should I respond? Let's be 'doers and not hearers only!' (James 1:22-25)

Next Sunday we are reflecting on the reality that in this world we will face hardship. Come along and be encouraged that God is there in the tough times and hear how He is walking with those who are experiencing hardship.

Please continue to support each other by praying. Remember Colin and Fran, Olivia and Liam and the extended family on the loss of Colin's Dad. Pray for those who are sick. Ian Cross begins a 7 week series of radio and chemo therapy on Wednesday. Remember also to thank God for the continued recovery of those recuperating from sickness.

May God bless your week,

Jeff
