From Jeff's desk....

Good morning & Welcome to Te Awamutu Bible Chapel.

At the same time as you are reading this (If you read it at church!) I will be enjoying a small service at Finlay Park, along with around 30 others, as part of the Alpha Programme. Each year as part of 'Alpha' we head off for a weekend and it is always a good time of getting to know each other and getting to know God better. When I think back to previous Alpha Weekends I still feel a closeness to the people involved and each time I have received a personal challenge to grow in my Christian walk. We also have a lot of fun, eat well and appreciate the wonderful creation that God has made. We will be praying for you, please pray for us.

The topic for Church@10 today is 'Forgiveness'.

We all need forgiveness to stand before God and God offers forgiveness to each one. For me, one of the most moving sentences in all of the Bible is the statement Jesus made from the cross regarding those who had nailed Him there; "Father forgive them, for they do not know what they are doing." Luke 23:34. That's FORGIVENESS!

Our forgiveness came at great cost but to us it is absolutely free! Have you ever asked God for His forgiveness? Is there anyone you know that you need to forgive? Is there anyone that you need to ask to forgive you?

*"The Father is waiting to carry your load His big arms **are opened** to draw you to Him, Forgiven, forgiven, forgiven again."*

What is your response?

God bless you

God loves you

Jeff
