From Jeff's desk....
Good morning & Welcome to Te Awamutu Bible Chapel.

Today we are looking at how we can positively impact the community. It is appropriate that we start with Warwick and Maree sharing their experiences in Thailand & that two weeks ago Shane & Renee & the family shared how God is working in the Philippines. There is a sense that the world is a global village and that we have responsibilities across the 'village' depending on where God directs us.

We have called today 'Vision Sunday'. Normally this is a title we use sometime in November to report to the church on the direction we are looking at focusing on for the following year. This year we have already had two meetings to discuss ideas for impacting the community. We have looked at ways this could happen in:

- a) The global sense
- b) The 'catchment area' for TABC
- c) The area directly surrounding the Chapel.

We have tried to keep you up-to-date with 1/4rly newsletters. (You should have received the 3rd one by email last week. If you didn't, please check the office has your email details. There are copies available in the foyer.)

We have an elder's retreat planned for 30/31 Oct. Please talk to an elder regarding any ideas you have. We will have another 'Vision Sunday' late in the year to up-date progress. We are excited at the possibilities before us.

We encourage you to be actively praying for God's direction for your life and the combined 'life' of TABC. Please let us know of any 'inspirational' ideas that you have. We believe that God will lead us through our obedience to Him and that 'vision' is not restricted to a few. We want to be open to God's direction for His church and especially open to initiatives that you believe God is directing you to be involved in.

Keep looking up *jeff*
