.....Tear along this line.....

From Jeff's desk....
Good morning & Welcome to the Awamutu Bible Chapel.

Thank you to the many people who came and shared ideas regarding the 'vision casting' last Sunday. (If you were not able to be here, I shared some ideas about how we can be effective in positively impacting the community. Love to talk with you about it sometime.)

Many of the ideas concerned the construction of a building to house a garage sale/New-2-U Clothing/Bulk vegetables / etc Thank you & please keep these suggestions coming. Other ideas suggested were: a Christmas Street Party, intentional-directed prayer, a family or care group 'adopting' a number of houses/families for ongoing interest, conducting 'research' to see how we can be most effective, going into the community to 'work',

I would like to encourage you to pray about the direction we should take and would love to hear your thoughts both for and against! In talking to my mentor this week I was encouraged to look at the possible pluses and minuses and plan specifically to allow for the cost in dollars, time, manpower, We also need to consider the effect it may have on some of the things we are currently doing? We want to carefully consider all possibilities. BUT WE WANT TO BE ACTIVE IN WORD AND DEED, SHARING THE LIFE CHANGING MESSAGE OF JESUS. We want to step out in faith and learn to know God by being active in the community. Can I ask you to ask God for specific guidance so that we are working in a way that pleases Him.

Finances

Following the Church@10 service today there will be a meeting in the lounge to discuss the finances of TABC. The elders will be there along with the Finance team to give a brief overview of finances to this point and a forecast to the end of the year. There will be opportunity for you to ask questions. We anticipate the meeting starting 15-20 minutes after the service and lasting 30-40 minutes. (Say 11.45 – 12.30 ish!)

Allow for, look for, earnestly pray for and expect God to direct every aspect of your life this week.

God bless you

jeff
