From Jeff's desk....

Good morning & Welcome to Te Awamutu Bible Chapel.

I want to extend a BIG THANK YOU to everyone who put their name forward in any way to help with hosting our Japanese visitors from Yokohama last weekend. It was a difficult weekend in so many ways with the extra complication of sickness amongst the students. Some people who had offered to host students decided that their circumstances made it unwise for them to go ahead and some of you have felt it necessary to apologize! I don't see it that way AT ALL!! THANK YOU for your generous offer to help in the first instance.

There were other people who offered to help, made special arrangements, waited around for over 3 hours to find there were not enough students to go around! THANK YOU.

Some of the hosts wound up delivering sick students to Hamilton. THANK YOU.

Clive and Sally worked hard through all this to ensure the students were given the very best possible time with some difficult decisions being made along the way. THANK YOU.

For the whole church handling a different kind of Sunday because of the cancelled 'Japanese Service', THANK YOU.

It would be good for us all to pray for the students and teachers, that God might receive honour for the hospitality we were able to show on His behalf.

Can I encourage you to think seriously about attending the Leadership Summit advertised in the 'Notices'. 13-14 November, \$120, in Hamilton, for anyone in any kind of leadership or wanting to train for leadership. It is a Willow Creek initiative and allows for a range of excellent speakers through multi-media. (Talk to Jeff / Clive / Peta / Lloyd / David Peake) We all attended last year and found it very worthwhile.

That's all for this week.

God bless. jeff
