From Jeff's desk....

Good morning & Welcome to Te Awamutu Bible Chapel.

This weekend has turned out to be a VERY busy one in the life of our church. The elders have 'been on retreat' from Thursday evening (Note not IN retreat!), Doug Carson and John Jackson have had significant celebrations, we have been actively involved in the Light Party (Alternative to Halloween), we are having a Missions Service, there is a 'Newcomer's' lunch (Designed for people new to our church to meet the Pastoral Care Team and discuss how we function as a church), the Missions Team and the elders are meeting with Kevin/Helen and Rob from Bright Hope and tonight at 7pm we start the 'When God's People Pray' series. Whew! I got tired just typing it up (and it's only Wednesday!!) AND I'm sure to have missed something you are involved in. I'm not advocating busyness as a way of life but it is good to see so many people rolling up their sleeves and getting involved.

I would like to encourage you to think about attending the next 6 Sunday evenings (Starting tonight) which are based on a DVD series by Jim Cymbala. I have read some of his books and they are inspiring. In this DVD, he discusses "truths about prayer that God used to turn his own church from a tiny, struggling inner-city congregation into a vital, thriving community of believers who pray with passion, focus and faith." Wouldn't it be great to be able to accurately describe TABC as a church whose believers prayed with 'passion, focus and faith'. (I know for some of you that is already the case.) The elders would love to see that being a vital part, the key part of our church moving forward for God. Put it in your diary. See you there.

God bless your week.

Jeff
