

Hi Folks,
Welcome to the Bible Chapel this morning.

From Chris' desk....

Every year, the Youth Group holds their Water Camp out at Arohena landing, Lake Arapuni. It has been the Chapel family's practice to join them on the Saturday afternoon to celebrate the baptisms at the lake. This year the camp runs from 14th - 16th March. You are invited to join them for the baptisms at 4:30pm and for tea afterwards — B.Y.O. At the moment there are two young people being baptised, Olivia Cresswell and Jasmine Penny, however if you are interested in being baptised, young people should contact Anna McClunie, and anyone else please contact Chris or Clive or ring the Chapel office.

Our sympathy is with Roy, Maria & Aaron Hooper over the loss of their 17-year-old daughter and sister, Katrina, who tragically died in a car accident last week. Please continue to pray for them and show all possible support towards the Hoopers in their grief.

You are most probably aware that next Sunday 16th March is a NO POWER Sunday. However we will still be having our normal church services. The day will be a little different of course but we will be making all possible plans to make our services run smoothly.... There will even be morning tea.

Easter Weekend will be one service only starting at 10am. It will be an Easter special with a focus on The Resurrection. There will be no Powerhouse on that morning.

The next Alpha Dinner is going to be held on Sunday 30th March at 6:30pm. Folks, this is a neat opportunity to bring friends and family along to a wonderful evening and a great night out. The Alpha Dinner has always been very significant in helping people to answer their questions about Christianity. The Alpha Course is quite possibly the most significant journey for many people in their search for God. If you want to know more please contact Noldy Rust or Tony McAllister or ring the office.

That's all for this week.

Blessings,
