

Hi Folks,

From Chris' desk....

Good morning and welcome to the Bible Chapel this morning.

Thought I would take a few moments & explain the purpose of the services we run on a Sunday morning & how they are planned. There are two services on a normal Sunday morning. The 1st is called **Life Link** and starts at 10am. The emphasis is to help "unchurched" people to understand more about Christianity & to help them on a journey to begin a relationship with Jesus. The 2nd service is **Church@11** & starts at 11:15am. This service is designed for believers & naturally includes communion, worship & teaching which focus more on growing as a Christian and commitment towards Jesus.

I feel the need to explain this because from time to time, we hear from people who are dissatisfied with the content of one of our services. The two services can be dramatically different as are their goals. It is certainly the desire of the leadership of the church to grow people in their walk with God to the extent that they would confidently bring friends and family to our Life Link service & benefit from the teaching & worship in our Church@11 service.

Our topics in April will be:

<b>Life Link: "Roadblocks that keep us from God."</b>		<b>Church@11:</b>
6th April	Your Past	Worship
13th	Conflicts	Worship
20th	Fear	Worship
27th	----- Anzac Day - One Service Only: Unanswered Questions -----	

On long weekends, public holidays & the middle weekend of school holidays, we only run one morning service. So Easter, Queen's Birthday, Anzac Day, Labour Day, Mother's & Father's Day are all One Service weekends.

That may be a long blurb from me but hopefully it puts people in the picture as to why and how we run these services. Please remember to pray for the Alpha Dinner which is on tonight.

Blessings to you all,  
Chris
