From Chris' desk....

Hi Folks,

Good morning and welcome to the Bible Chapel.

A Freudian slip they say, is when you say one thing and you mean your Mother. Well I guess there are no Freudian slips today because what we want to say & mean this morning is... *Thank you for your care, the time spent, nights without sleep, advice & chats, great memories, the patch ups on scrapped knees, bums & bruises, the endless meals lovingly prepared.*

You are very... very... SPECIAL!

... Youth fades; love drops; the leaves of friendship may fall; a mother's secret hope outlives them all.

George Washington once said, *"I attribute my success in life to the moral, intellectual & physical education which I received from my mother..."*, & Abraham Lincoln said, *"I remember my mother's prayers and they have always followed me. They have clung to me all of my life."*

From the greatest to the least, we recognise and are grateful for the huge influence of our mother.

Happy Mothers' Day !!

On a more mundane note, your **Tax Certificates** are ready to pick up and if they are not collected today, they will be mailed out.

Blessings to you all and have a great morning.

Chris
