From Chris' desk....

Hi Folks,

Good morning and welcome to the Bible Chapel.

I want to start by thanking you for the strong level of support you gave this last week to a family in need. We have plenty of fire wood, a freezer full of meat, all the windows have been fixed, van is fixed, some electrical & plumbing work underway as well as other help. That's what it means to be the light of the world. When Jesus told the story of the good Samaritan, He wanted His hearers to understand the difference between speaking religious talk and acting in love towards our neighbour. Then of course there is that great passage in Matthew 5 where Jesus talks about being salt and light and finishes by saying "In the same way let your light shine before men, that they may see your good deeds and praise your Father in heaven."

My understanding of that is, that when the people of this town get a wind of what practical love and concern really means, they will want to know more about the God we serve—to the extent that they would eventually praise His name. Praise God because the Spirit of God moved some folks to act in love.

If we were to talk about growth this week, I think there has been both growth & joy in the lives of those who acted in response to the Spirit's nudge. Want to grow? Act in love towards someone this week—serve them, surprise them by blessing them in some way which will help them to see God is good, because His people do good to one another.

The prayer list is well underway but there are still plenty of folks who have not seen Jeannye for a photograph. This includes new folks to the Chapel & anyone who would like an updated photograph from last year. Please contact Jeannye and help us get the prayer list up to date & ready for print.

That's all from me this week.

Blessings,

Chris
