From Clive's desk...

Good morning and welcome to the Bible Chapel.

This morning we have 186 Japanese guests with us at Church. It is our privilege to share our faith, our church, and our homes with them this weekend. We have endeavoured to put a programme together that will follow God and build each other up.

We are seeking to show that God has much joy when a sinner repents & comes to Him. God wants us to have much joy in our lives.

I would like to strongly recommend the "Word for Today" readings from October 6—October 16... Proverbs 30:2—28. The ants, conies, locusts & spiders. There is a sense in us which is always wanting to know & be aware of God's direction for our lives—sometimes a timely word is a real source of encouragement, e.g. 9th October—God, not you, determines your life's purpose. He's the one who schedules your seasons of opportunity. 8th October—surround yourself with the right people who have: = an appetite for life, = a hunger for God and, = a sound knowledge of His word.

We also need to be the "right person" for others. Let you and I keep working at loving God with all our heart, soul, mind & strength. That's a source of real joy.

Please be sure to pray for the Armitage & Thompson families—there is joy mixed with their sorrow.

On behalf of the Elders, *Clive*
